Wyndham Grange lights: Cllr Howard reported that the lights were not an inconvenience and he couldn't see that there was a problem. Cllr Howard to speak to the complainant.

### 115/19 COUNCILLORS' REPORTS

**Cllr Corbett:** commented that traffic through Puxton was greatly increased. There was some discussion as to the possible cause being current road closures around Banwell. Cllr Corbett felt the increase in traffic would not diminish. After discussion of the Puxton road/lane triangle it was felt a solution could be to put "Stop" lines on the road. (Also in response to item 10 on the agenda it was felt more discussion at the next meeting would be helpful).Cllr Corbett was concerned about the plans for the new bridge. He received a video of an 18 tonne, 30 ft lorry passing over the Puxton Lane bridge in September thankfully with no visible damage. He will send it to the Traffic division of the Police.

**Cllr C Penfold:** reported seeing a person on a mobility scooter struggling to proceed along the A370 pavement. He was ducking brambles and at a precarious angle because of the turf encroaching the pavement.

**Cllr Redding:** was pleased to confirm the completion of the insulated roof on the Village Hall and the disposal of 4.6 tonnes of Asbestos. This was paid for by donations and fund raising.

## 116/19 FINANCE

2019-20 Accounts: pre-circulated with meeting papers, reviewed and noted.

# 117/19 ONGOING ITEMS BEING MONITORED BY CLERK

**Puxton Lane Grip** in hand via area officer.

Puxton Rd/Lane junction: sign re-siting on job list... but in queue.

Wick Lane: Gully outside Manor Farm floods. Update report due.

Wick Lane Rail Bridge: damaged road signs on both sides - update due.

Maysgreen Lane: road sign and finger post at Puxton Rd damaged: on job list for repair.

Maysgreen Lane Cheese Factory 'temporary' edge repair on job list.

**A370 Footpath:** More effective flailing of hedges being pressed for - to optimise width between curb and hedge. Clearance of footpath to gain width for wheelchairs is an acknowledged but unaffordable need - the result of NSC neglect over many years.

Puxton Rd Drainage at Wyndham Grange: on job list.

**Council Houses Gully** 30metres jetted Sept 23rd: still not clear. CCTV survey booked.

New Oldbridge River Bridge: Timetable due

**A370 Central Refuge:** On current year job list. £4300 expected to be PPC contribution from this year's capital budget.

**Puxton Rd 30mph/Puxton Road/Lane Triangle Re-Engineering:** The speed check (around 42mph average) did not trigger NSC involvement in funding a speed limit. Triangle re-engineering is envisaged to be removing the triangle, widening the verges on either side (to include re-siting the finger post), and thereby narrowing the Puxton Road access - effectively forming a 'village gate'. This would maintain the sense of Village while optimising the safety of junction. A 'wild guess' at £30,000 for the total project puts it into the realm of strategy, rather than medium term possibility, given the current financial conditions of both the Parish Council and NSC.

**119/19 DATE OF NEXT MEETING -** November 7th 2019 at 7.30pm in the Village Hall.

The meeting closed at 8:30pm
