 - c) Road Safety on the A370: Following the recent accident where a child was injured while attempting to cross the A370 to catch a bus to school, Cllr Redding wrote to the NSC Officer in charge if this aspect of Highways and received the now usual impersonal response pointing her to registration on the NSC website as has been done for a) and b) above. However, whilst sidestepping further direct involvement by ignoring an offer to be sent data from our Speed Indicator Device, the Officer did provide advice on how best to present the case, which he said has much in its favour. Cllr Redding heeded this advice and prepared a new application for help with road safety and bus stop access, which she has posted on the NSC website.

v. Parish Maintenance:

- **d)** Waste Movement and Disposal Licence: Cllr Riddell does regular litter picks in the Parish and is seeking volunteers to help her. Currently waste is being picked up via an NSC system she has established, so the licence is not needed.

- **iii. Application for Cooption to the Council:** An application was received for cooption. The application was considered against the criteria set out in the Council's Cooption Policy and

it was unanimously decided that it should not be progressed. The Clerk to so inform the applicant. Cllr Redding will respond with the reasoning behind the decision.

- v. Annual Parish Meeting: This will be held at 8pm on May 1st 2025 tea and cakes to follow. Clerk to prepare a flyer for the meeting for distribution to households in the Parish.

028/25 COUNCILLORS' REPORTS

Cllr Riddell

The new Parish Maintenance arrangements are settling in well: damaged signage is being included for repair or re-setting where possible. She and Cllr C Clayton will organise the annual NSC flower distribution to planters and flower boxes once they have been collected by Cllr Redding.

Cllr Redding

NALC Course: The National Association of Local Councils (NALC), of which the Council is a member via NALC's regional affiliate The Avon Association of Local Councils (ALCA), is running a course in September on local government fund raising. The course will cost £35 and members thought it to be a good idea that Cllr Redding attend, as she has been closely and successfully involved in fundraising and the securing of grants over recent years, and it is a skill that local council's are increasingly needing to employ. **Clerk to place this on the May agenda for consideration and decision**.

Information Commissioner's Office (ICO): Contact with the ICO continues in relation to a range of Freedom of Information requests and other complaints from a resident.

029/25 NEXT MEETING
